Summer Worship Series

CALL US WHAT WE CARRY

With a joyful Children and Youth Sunday this past Sunday, we also saw our regular program year draw to its close for the summer.

With the end of the program year came the conclusion of our Annual Theme for 2021-2022 *Stir Me from Placidness*, as we look toward the ways in which God continues to call us from tomorrow, again and again, and invites us to faithfully respond.

With the start of our summer season, we have the opportunity now to unveil our planned Summer Worship Series: *Call Us What We Carry*, which will find us exploring poet Amanda Gorman's book by the same title. This book of powerful poems, published in 2021, is a work that speaks right into the heart of so much that is being carried in our hearts and in our world, right now. Through our weeks of summer worship, we will have the opportunity to hear poetry from the book read and reflected upon and be in conversation with scripture and faith. Together, we will be challenged by words of prophetic poetry for our time.

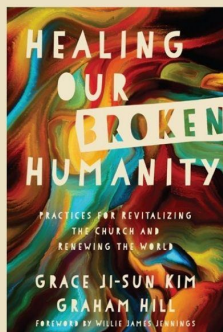

Of course, as is the case for all our worship series, this one does not require those enjoying worship with us to read the book with us, but for those who like to read along with us for such series, we have copies of the book on hand in the church office. These can be picked up on a Sunday morning, or you can contact our Office Manager Pat Haight at phaight@fbcbeverly.org to arrange another pick-up time. There is a suggested donation to cover the cost of a book of \$20 (but please do not let finances stand in the way of your picking up a book to read, if you are interested!).

Amanda Gorman is a powerful voice of our time; the youngest presidential inaugural poet in our history, and a committed advocate for the environment, for racial equity, and for gender justice. This summer, we have the opportunity to be challenged and moved by her words, alongside words of scripture, **and to explore together all that we carry.**

HARBORLIGHT COMMUNITY
PARTNERS IS NOW
HARBORLIGHT HOMES!

This new name for Harborlight honors its roots here at First Baptist Church and reflects the core mission of the organization: to bring stability and opportunity both to our vulnerable neighbors and to our communities through the construction and management of sustainably built, safe homes with supportive resident services.

The new logo graphically depicts this mission: The green roof represents sustainability; the rising sun represents hope and opportunity; the HH formed by the beams of the house create a ladder and, together with the roof, create an arrow of upward mobility. The new tag line, **Building Stability and Opportunity**, is incorporated into the logo, rather than simply appearing below it.

This housing mission of FBC began in 1962 with the vote to establish Harborlight House, named for the steeple's navigation light. This mission grew into Harborlight Community Partners, which was created in 2008 through the merger of seven smaller housing organizations. Today, Harborlight Homes now offers 421 homes for more than 600 residents and has more than 400 more units in the development pipeline.

Are you passionate about protecting and restoring the Ipswich River and want to share your love with friends and family? Create your own fundraiser to support the river!

Register as a team of one, join an existing team, or become a Team Leader and rally your friends and family to raise funds and have fun for the Ipswich River.

Paddle-a-thon 2022 participants and their guests are invited to celebrate the river with us on Saturday, June 18th. We'll enjoy refreshments from Ipswich Ale, Sol Bean Cafe, and Baja Taco Truck to the sounds of the Orville Giddings Trio and make memories with the guided social paddle and the Grand Wenham Canal Race.

Come out to do some good while you enjoy the natural surroundings and wildlife along the river waterway. We are looking for people to take up a paddle as Ron and Leslie are unable to attend this year due to prior commitments. Following the paddle you can enjoy, food, refreshments and music while you mingle with other friendly nature lovers. Canoes are provided and can be reserved when you sign-up.
